

Showcase Your Brand with an Outfield Banner on Our New Turf Field

Dear Prospective Sponsor,

Aloha High School Baseball has been a proud part of our community for over 50 years. As we enter the 2026 season, we're excited to welcome fans to the newly turfed **Bill Love Field**—and invite our local community and partners to showcase their businesses through **high-visibility outfield banner placement** and season-long recognition.

A sponsorship with the **Aloha Baseball Club (ABC)** puts your brand in front of families, fans, and community members throughout the season while directly supporting student-athletes. Funds raised help cover critical needs including field and batting cage improvements, equipment, training resources, and scholarships for players with financial need.

Sponsorship Levels

- **Hall of Fame - \$3,000** – Premier visibility and maximum impact, including premium outfield banner placement, top-tier digital recognition, and game-day acknowledgments
- **Majors - \$1,500** – Strong varsity-level exposure with outfield banner placement and digital visibility
- **Minors - \$750** – Season-long presence with banner placement and online recognition
- **Prospect - \$500** – Community support with entry-level recognition

Custom & In-Kind Sponsorships

We're happy to create **custom sponsorships**, accept **in-kind donations**, or discuss **restricted gifts** and **larger, facility-focused projects** (such as fencing, equipment, or batting cage enhancements). If your business has a specific goal or idea in mind, we'll work with you to build a partnership that delivers value for both your brand and our program.

Together, we can make a lasting impact—**on the field and beyond.**
